We would like to include you as a Gold Sponsor of our Creative Community efforts and events. We would appreciate a donation of \$100 to support.

What we would do.

- Enroll you as a Gold sponsor.
- Include your logo on our promotional materials.
- Talk about your business on our radio channel.
- Include your message within our television show.
- Offer resources and support to your events.

What you will do.

- Recognize our organization and your gold sponsorship.
- include our logo on promotional materials as allowed.
- Allow our presentations at events (when available).
- Promote our goodwill and spirit within your group.
- Provide us with promotional and marketing materials.

I hope you allow this mutually beneficial alliance and see the value of good community cooperation. How can we go wrong?

Kindly accept this proposal.
