DESCRIPTION

The community garden is open to all who become a member. We are a member of the Saddle Creek Garden Club and have affiliations with farmers in the County. Lead by volunteers and community residents in or near Copperopolis. Together, with others from our area, we believe that fruit, vegetable and herb gardens are necessary in contributing to a healthy lifestyle by providing fresh food for our families and neighbors. We are creating a network of community gardens throughout Copperopolis with a cooperative effort of sharing, education and networking. Formed by residents, lead by volunteers and guided by our local garden clubs and Master Gardeners, Creative Copperopolis has dedicated this 1/8 acre fenced in garden area for Farm to Fork ingredients to be used by the community for community events and efforts. Come check it out and be a part of it!
